

The Southbourne Junior School Satellite

June 2020 NEWSLETTER

Dear Parents,

During these very different and strange times we hope all our families are keeping well, we certainly miss seeing you all in school and on the playground. Please remember that even though we are currently only open to Year 6 and keyworker children we are here for all our families. If you need any support, guidance or advice please do contact us through the school office so we can help wherever we can. It has been wonderful for our staff team to talk to you through the welfare calls, which we will continue as much as we can, however please do pick up the phone if you need to speak to us sooner. Teachers are teaching in their bubbles but will be able to get back to you at some point during the day or after school.

Stay safe and well

Louise Gasser, Headteacher

- ◆ **LEAVING**— Mr Holder will unfortunately be leaving Southbourne Junior School at the end of the summer term. He has decided to take a career change and is moving into leadership within his church. Mr Holder is a fantastic teacher who will be truly missed by pupils and staff for his energy, humour and passion to teaching and learning. We would like to thank him for all he has contributed to our school from the Gold Sports award, introduction of sports ambassadors, planning and co-ordinating sports days, leading the French Exchange and organising all sports activities on and off site. We wish him all the very best with his new ventures!
- ◆ **NEW STAFF**—In September 2020 we will be joined by two new members of staff, Miss Brown and Mr Lammas. Miss Brown will be moving into West Sussex over the summer and Mr Lammas is local to the area. We would like to welcome our new teachers to Southbourne Junior School and hope you meet them soon!
