Headteacher : Mrs L. Gasser, BEd (Hons), NPQH

Dear Parent/Guardian,

This half term our geography/history learning journey is based around our local area. As part of our geography lesson, How and why does the quality of the environment change in my local area?, we will be taking the children on a walk around Southbourne. On this walk we will be stopping at places the children feel are key points of interest in Southbourne (for example, the church and the farm shop) and assessing the quality of the environment at each site. This outing is covered by the local visits permission you gave at the start of the year, however if you have any further questions please don't hesitate to ask either of us on the playground or email the school office.

Both classes will be going on Friday 12th May. Please make sure your child has comfortable footwear. If it is hot please ensure your child is wearing sun cream and brings a hat.

Kind regards,

Mr Lammas and Miss Wadey
