Reggie and Savannah

School Council achievements since our last newsletter:

- * Reviewed the Tipi and outdoor learning overview with classes
- * Met with Mrs Jones to discuss new books for the library - to be bought with money raised by last year's school council
- * Created a list of non-fiction books and completed a survey with classes to find most popular topics
- * Put together an order for Mrs Jones, based on the results of the survey - these books have now arrived and will be placed in the library very soon!

Recently, Year 3 have enjoyed...

Visiting a care home to cheer up the residents; pond dipping with Mrs Barker; a visit from a magical mathemagician; lunch with a scientist; making potions in maths; working with Zac, the tree artist.

Helen and Zion

News from Year 4

These have been some of our learning highlights:
Baking bread in the tipi; trips around Chichester and Southbourne; street art; decimals learning journey; eating ice creams in French.

Emily

Year 6 have been busy!

Preparing, cooking and eating a three course meal; learning about survival of the fittest with Mrs Barker; swimming; I Rock assembly; environmental art; orienteering; Friday afternoon chocolate, games, free choice and jail break after SATs!

Reggie, Savannah, Rebecca, Rebecca

Year 5 best moments:

STEM activities at Bourne Community College; baking; New Life Church assemblies; swimming; tipi and outdoor learning; wildlife with Mrs Barker.

Nicola and Mila
