9th November 2023

Dear parents,

As part of our commitment to make maths exciting and high profile in our school, we are taking part in a friendly competition on Times Tables Rockstars involving schools in England. The competition runs from 07:30 GMT Tuesday 14th November 2023 to 19:30 GMT Thursday 16th November 2023. It's all done online via play.ttrockstars.com.

Children can play in any gamemode with every correct answer to a multiplication or division question, earning themselves, their class and the school a point. The Times Tables Rock Stars platform will calculate the class average (the number of correct answers per pupil in the class who play during the competition hours, subject to a daily 60-minute limit (see below)). Winning classes in the school and in the competition as a whole will be the ones with the highest average.

To support player wellbeing, there is a daily time limit of 60-minutes per player. In other words, each player can earn competition points for up to 60-minutes between 07:30 GMT and 19:30 GMT on 07:30 GMT Tuesday 14th November 2023 to 19:30 GMT Thursday 16th November 2023. Once the player goes beyond 60-minutes of play on that day, they will still earn coins but will no longer earn points towards the competition.

In the spirit of the competition, please don't play on their behalf but by all means encourage and support them to the extent that it doesn't cause high stress levels or impact on family plans.

Thank you in advance for your support. We are looking forward to an exciting competitive buzz around the school next week and of course there will be certificates, as well as the possibility of prizes if we can score amongst the top schools in the country!

Miss Lowrey
