

Why are jungles so wet and deserts so dry?
 What climates and biomes are there across the world?

<p style="text-align: center;">English</p> <p style="text-align: center;">Narrative</p> <p>The children will be using the text <i>The Wild Robot</i> as a prompt to write a short narrative.</p> <p style="text-align: center;">Poetry</p> <p>We will be writing poems based on the world's different biomes including which animals and plants you would find there.</p>		<p style="text-align: center;">Science</p> <p>What is a force and how does it work?</p> <p>In science, we will be learning about forces and magnets. The children will explore the force friction and will discover that magnetic forces can act at a distance.</p>
<p style="text-align: center;">Maths</p> <p>We start the half term by learning about right angles. We then move on to learning mental strategies for addition and subtraction before ending the half term with column addition.</p>	<p style="text-align: center;">Geography</p> <p>We will investigate the different climate zones across the world and learn how biomes are largely determined by the climate, animals and plants that inhabit a specific area.</p>	<p style="text-align: center;">Music</p> <p>How can music mimic the movement of jungle animals? Musical Focus:</p> <p style="text-align: center;">Composition</p> <p>We will be listening and mimicking the sounds of tropical rainforest animals through composition techniques and musical components that have been learnt so far.</p>
<p style="text-align: center;">PE</p> <p>Our PE lessons this half term will be basketball and gymnastics. In basketball the children will learn the role of the attackers and defenders. In gymnastics we will learn how to create different balances, shapes and jumps.</p>	<p style="text-align: center;">Computing</p> <p>In computing, we will explore coding using the website <i>Scratch</i>. The children will learn what an algorithm is and how to debug a faulty code.</p>	<p style="text-align: center;">Art</p> <p>How can you bring an animal to life using collage?</p> <p>The children will be exploring the artist - Megan Coyle and how she interprets different animals through her work.</p>
<p style="text-align: center;">RE</p> <p style="text-align: center;">Who is Jesus?</p> <p>We will explore who Jesus was and some of the significant things he said and did.</p>	<p style="text-align: center;">French</p> <p>This half term we will be describing French Art by learning how to say, spell and read the name of colours and shapes.</p>	<p style="text-align: center;">PSHE</p> <p>In PSHE, we will be looking at how to be a good friend. We will learn the importance of making positive friendships, managing loneliness and how to sensibly deal with arguments.</p>
