23rd February 2026

Dear parents and carers,

We are excited to tell you that this half term, in Year 6, we will be working with Chichester Harbour Conservancy to learn about local bird wildlife: this opportunity connects back to our learning about classification in science during the autumn term, and ahead to evolution, which is our focus in science in the summer.

Chichester Harbour Conservancy will be running two workshops. The first is in school on Tuesday 24th February; the second is a walk to Prinsted Beach on Tuesday 10th March, in the afternoon. On the day of the walk, please could children bring in a change of clothes which are suitable for working outside, including a waterproof coat and wellies or walking boots, as they will be walking on the shoreline, which could be very muddy. It is imperative that they come to school in uniform as normal, as class photos are being taken that morning.

When we walk to Prinsted, we will leave at 12.45 and be back by the end of the school day.

Thank you,

Mr Harper and Mrs Hodgson
